

**ASSEMBLY TIME** 30 seconds

The silver finish gives a feeling of exclusivity.

The brochures are protected during transport.

Designed for good stability.

Hard Case is an option to the soft bag.

## FAST, ATTRACTIVE AND VERY PROFESSIONAL

A practical, eye-catching brochure stand is never out of place. With its exclusive design and ingenious construction the Brochure Stand is an ideal profiling medium in any environment. It has four curved holders at varying heights to facilitate brochure selection. It is easy to carry and printed matter is stored safely during transport. The Brochure Stand is simple to unfold and simple to secure thanks to the practical locking device.

### STANDARD PACKAGE

The package contains an aluminium frame with strong polycarbonate holders for the brochures and a padded nylon bag or Hard Case. The bag comes with a shoulder strap and a strong handle.
